10 years after our Rally at Tönenburg in 2014, the VOC North West German section welcomes you again to visit us at the 2024 German Rally at the Tönenburg, situated directly on the banks of the river Weser. A beautiful area of Germany, with

a range of activities for young and old. Albaxen had its first documentary mention, under the name Albachtessen, on the occasion of the neighbouring Corvey Abbey's founding in 822, and by 900 it was already known by its current name. The Albaxen parish church was likewise first mentioned in the 9th century. The Tönenburg, a mediaeval building complex near Albaxen was built in 1350 by the Corvey Abbey

The history enthusiasts amongst you will find much to explore in the area. The nearby town of Höxter's medieval architecture has been extensively preserved despite damage resulting from a large explosion in 2005. Many of the buildings in the area date from the 15th and 16th centuries. There are a number of architecturally interesting churches in the area that merit visits, including the Corvey Monastery, located on the Weser River, and St. Killian, a Protestant church with a pulpit from 1595.

The German Rally is hosted exactly between the Dutch (May 24th to 27th) and the Scandinavian Rally (June 14th to 16th) giving the possibility to join three fantastic events in one go!

We look forward to seeing you all here.
